FOREWORD

It is good to stop every now and then to reflect on past events, memories, and mistakes. Some are pleasing and some are painful, but all are worthwhile for they serve to carry us to our final destination.

High school, from the beginning to the end, is a time for building memories. The end of each year provides an excellent chance to reflect on what has passed and what lies ahead. The quality and the quantity of each individual's memories depends entirely on how much effort he has put into his four years of study.

It is from reflections on these memories that we will draw the courage and the knowledge to carry us into our future.

Those crazy Juniors! The office is always there to help.

1970

Juniors are great! This has been a busy year for Juniors with more to do than ever before. Sometimes it feels like all the mess and rush and hurry is all worth it yet other times that it isn't. That's part of the action around here though.

Next year will be the year of 1970. It will be a very good year.

1970, HERE WE COME!

FRUITPORT THIRD BEST IN STATE

The Varsity Wrestling team had another great season. While finishing with a 13-5 record, they took 1st in the Seaway Conference Tournament. 7 wrestlers qualified for regionals and Doug Lee, Mark Humphreys, and Bob Gustavson qualified for State Competition. Well Done, Guys! Extra - Doug Lee won 1st place in the State tournament, and Mark Humphreys placed 2nd. This gave us third place in Class B team competition. Wonderful!

The bigger they are the harder they fall.

"This is the last of our reflections, a tree in the moonlight, reflecting all expressions of hopes and dreams for everyone's past, present, and future.

So now we must go on our own way seeking the new reflections the future will bring. I wish all of you the best of luck to find in those reflections what you want out of life to add to your own.
